REVISED

NOTICE OF TRAINING SESSION

**DELAWARE CITY BOARD OF ADJUSTMENT**

JUNE 12, 2013 – 5:30 P.M.

CITY COUNCIL CHAMBER

Proposed Agenda:

**Board Members will be given an orientation and training session.**

The training/initial meeting for the new Board of Adjustment members was first scheduled for June 6. The June 6 meeting, however, was postponed at the last minute because a notice and an agenda were not posted. The purpose of the June 6 meeting was to organize and prepare the newly appointed Board in advance of two applications being heard by the Board of Adjustment on June 12. As the training/organizational/orientation meeting should occur prior to the previously scheduled hearings on June 12, the training/organizational meeting was rescheduled for June 12 to assure that the training could take place in advance of the hearings on the applications. This training was posted immediately after the scheduling decision was made. To the extent necessary, this posting also amends the agenda for the previously noticed June 12 Board of Adjustment meeting.
